			<b>Lite Star - New Construction</b> Angle of the light can be adjusted up to 20 degrees to reduce surface glare and optimize lighting for any depth pool.  Bright and Efficient Low-Voltage LED Light lasts 10 times longer than traditional incandescent or halogen pool lights. UV resistant niche and plaster shield with integrated water stop, multiple conduit ports, and pre-drilled wire tie holes.  Long-lasting light is easy to replace with our Quick-Connect plug.  Vented ports allow for water from the pool to help keep the light cool. Light automatically dims to maintain proper temperature.	LiteStar - Blue Light / Gray Trim Ring
